

Internship Information UN Global Youth Corps

THE VISION: The CCU United Nations Centre for Expertise on Education for Sustainable Development - Georgetown (locally known as Georgetown RISE) will support a scientific/research-based **perspective**, while engaging a **place** for productive dialog and collaboration on sustainability, enable a **process** for incubating student engagement and cultivating professional talent, and encourage **participation** and outreach related to sustainable development as a way of thinking and acting.

YOUTH CORPS MISSION:

Georgetown RISE has partnered with Coastal Carolina University (CCU) to engage and prepare local leaders of tomorrow to make smart and sustainable choices for the future. The UN Youth Corps initiative is a high impact, transformative learning program centered on giving students real life skills and professional experiences on sustainable development in Georgetown County with an integrated teaching/learning component
