

The 15th Asia-Pacific RCE Regional Meeting on “Empowering Sustainable Community through Education for Sustainable Development”

Sejahtera Forest, Tongyeong,
Republic of Korea,
14-16 September 2023

Overview: The 15th Asia-Pacific RCE Regional Meeting will be held under the theme ‘Empowering Sustainable Community through Education for Sustainable Development’ to emphasize the importance of using local community networks to promote sustainability in the Asia-Pacific region. By sharing experiences and networking with RCEs, participants will gain valuable insights and knowledge on how to incorporate Education for Sustainable Development (ESD) practices in their communities, contributing towards building sustainable societies.
