'WHOLE COMMUNITY APPROACH FOR ESD'

Youth led Partnerships for the Goals

Role Of African Youths In Conservation, and Sustainability in Community Development

Local Community Actions to Achieve Sustainability, Indigenous Heritage

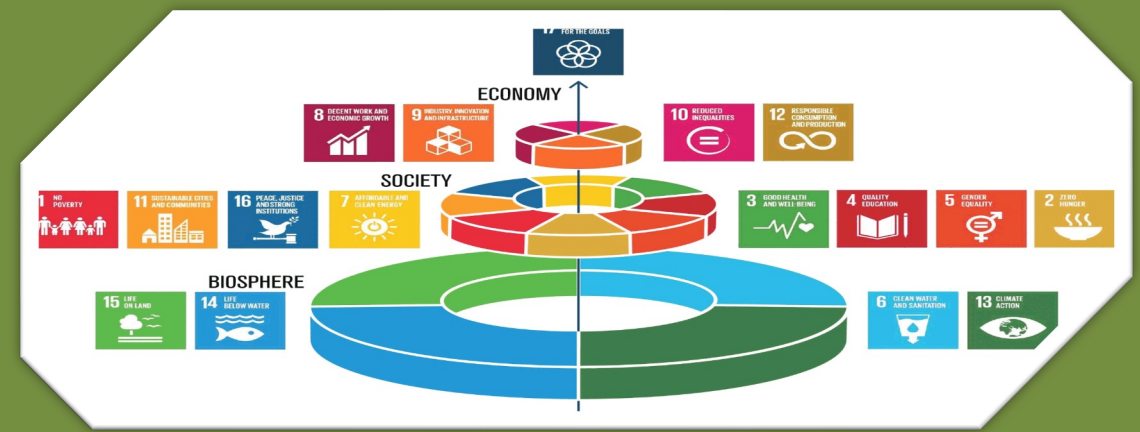

SOLUTIONS TO PROBLEMS

- ❖ *Youth activism and handprints*
- ❖ *Promoting longevity*
- ❖ *Scalability*
- ❖ *Employment of multi-faceted approach, including strategic partnerships*

Where do we go from here??

Leverage on Education for Sustainable Development (ESD)

- ❖ Engage Partners
- ❖ Create awareness on, and implement modules to achieve: SDGs, UNFCCC, CBD, and Sendai Framework
