Monthly RCE Europe 'Connect' sessions:

Aims

- Share knowledge, experiences and challenges
- Celebrate progress
- Plan joint programmes to seek resources
- Enable us to take action on ESD

Outline of meetings

- Welcome, introduction, update and information sharing
- Input from host RCE and a thematic discussion
- Any administrative issues e.g joint plans; Global RCE news

A continuing thread: ongoing discussions

Some identified needs

- Increasing effective information sharing across Europe
- Scaling up the mobilisation of young people in RCEs
- Bringing capacity to Europe-wide RCE networking e.g through a Regional Secretariat
- Developing joint projects showing leadership for innovation on ESD

A continuing thread: ongoing discussions

Making progress

- Information sharing :

Monthly meetings, google drive... what more? 20th Anniversary

- Mobilisation of young people in RCEs:

Youth Co-ordinators, Aukje-Sina, Jorah and Max... 2025?

- Bringing capacity to Europe-wide RCE networking

Through a Regional Secretariat? Other ideas?

- Developing joint projects showing leadership for innovation on ESD

Funding opportunities? Themes?
