Supporter	Universiti Sains Malaysia

2. Background

- Organized by the RCE Penang, Universiti Sains Malaysia in collaboration with SMK Datuk Onn Butterworth, Penang, the INTERNATIONAL SDG CHALLENGE SCHOOL PROGRAM (Quality Education) DURING COVID-19 PANDEMIC: A Perspective from Students through Sustainability Competition will be held virtually from 1st September to 2nd October 2021.
- This program would serve as a platform for all Sejahtera Club members, schools from Malaysia, Korea, Japan and Indonesia to get together, share and disseminate ideas, information, and efforts and promote good competitive value among students regarding co-curriculum activities at schools and home. To register, please complete the online form via QR Code.
- Student leadership in sustainability cannot be achieved single handed by single stakeholders. Collaboration proves a strategic avenue to develop students' leadership in SDG. Therefore, in line with 21st century learning competencies, it is essential that students are empowered to create innovation and inventions related to sustainability. It is important that students play a leading role in SDG and share with other students around Malaysia, Korea, Japan and Indonesia.
- This program will feature elements of sustainable community focusing on co-curriculum activities focusing on SDG 4: Quality Education and Covid-19 pandemic.

- There are two main activities in this program:

A. Co-curriculum Sustainability Competition (01 September – 24 September 2021)

1. STEM & Innovation Smart and Creative Recycling Competition
2. Healthy Camping No-Cook Snacks Food Competition
3. RCE PENANG@USM-DOB 5 KM Virtual Run Challenge 2021

B. Webinar Learning Experience During the Pandemic Covid-19 (02 October 2021)

In this regard, we are honored to invite schools' students to join our Sustainability Competition and Webinar Learning Experience During the Pandemic Covid-19.

3. Objectives

- To empower students to be the leaders in promoting SDGs through competition and teamwork between students
- To share views and concerns about challenges in doing co-curriculum activity during and post Covid-19 pandemic.
