

Can you envision a better world?  
You can help **create** it.

**GREATER PORTLAND  
SUSTAINABILITY EDUCATION NETWORK**

A Regional Centre of Expertise on Education for Sustainable Development

Educate ~ Empower ~ Engage for a sustainable future.

Our network partners include educators, students, non-profits, faith-based communities, government and business leaders, civic groups, and community members in Oregon's Clackamas, Multnomah, and Washington Counties, and in Clark County, Washington.

**GPSEN** provides networking tools, training opportunities, sustainability curriculum, research, and other resources that raise individual and organizational capacities to build a sustainable future in the greater Portland region and beyond.

- ❖ Training & Research
- ❖ Annual Sustainability Symposium
- ❖ Sustainability Asset Map
- ❖ Youth & College Student Network
- ❖ Bi-weekly Newsletters
- ❖ Internship & Fellows Programs

**GPSEN** is acknowledged by the United Nations University as a Regional Centre of Expertise (RCE) on education for sustainable development (ESD). RCEs think globally and act locally. With links to UN agencies, formal education institutions, and informal educators worldwide, RCEs collaborate to increase collective impact for sustainability in our regions.
