

## RCE Global Webinar

### 'Achieving the Sustainable Development Goals: action through learning in a time of global crises'

08.00 – 10.00 GMT on Tuesday 08<sup>th</sup> June 2021

In Autumn 2021, both COP26 and the 12<sup>th</sup> RCE Global Conference are coming to Scotland.

In advance of this, the Global RCE Service Centre and RCE Scotland are delighted to invite you to the second of two pre-Conference webinars on Tuesday, 08 June 2021.

Together, we'll build on and further strengthen our Global RCE Network. We'll collectively share, explore, exemplify and enable the translation of our knowledge, skills and values into tangible, real-life activity - that will help to build the capacity to bring about, embed and sustain the changes required in the global transition to a better world.

Please read on to find out more, and do not hesitate to contact the organisers at RCE Scotland on [enquiries@fsscotland.org](mailto:enquiries@fsscotland.org) if you have any queries.

We look forward to seeing you at 08.00 GMT on Tuesday 08 June 2021.

## Overview

### 1. Why are we holding this webinar?

This webinar is the second of two 'bridge' events between the 2020 RCE Regional Meetings and the RCE Global Conference in Autumn 2021. It will:

- Enable and sustain collaborative conversations across the RCE Network
- Launch the new Roadmap for the RCE Community 2021-2030
- Share and celebrate good practice regarding climate-related activity from across the RCE community
- Explore how we take action on the [UNESCO ESD Roadmap](#) through the 'lens' of climate-related activity as we approach COP26.

Delegates will have the opportunity to submit examples of activity from their RCE that link action on climate change with one of the Five Themes in the UNESCO ESD 2030 Roadmap. All of these examples will be shared on the [dedicated webinar webpage](#). Five of these examples will be presented during the webinar.

The process for this will be:

- RCEs wishing to submit an example of activity should indicate this on the registration form when asked.
- Examples of activity should be no more than five minutes in length and in the medium of the delegate's choice (e.g. blog, podcast, narrated slideshow, text-based narrative etc.).
- All expressions of interest in sharing an example of activity during the webinar should be sent to RCE Scotland at [enquiries@lfsscotland.org](mailto:enquiries@lfsscotland.org) by **Thursday 6<sup>th</sup> May**. All examples of activity for inclusion on the webpage must be sent to RCE Scotland **no later than Monday 31<sup>st</sup> May**.
- All examples of activity will be uploaded to the dedicated RCE Global Webinar webpage for delegates to view/listen to/read ahead of the Webinar on 08<sup>th</sup> June.
