PROGRESS UPDATE: EMPOWERING STUDENTS’ LEADERSHIP IN SUSTAINABLE DEVELOPMENT GOALS (SDGS) VIA INTERGENERATIONAL LEARNING AND KNOWLEDGE TRANSFER (ONLINE PROGRAM AND VIDEO COMPETITION)

Dr. Japareng Lalung
Project Leader
RCE Penang, CGSS
To develop student leadership for building a sustainable society through education, focus on the following themes, which are **Good Health and Well Being (SDG 3)**, **Climate Action (SDG 13)** and **Life on Land (SDG 15)**.

To create leaders who can transform their knowledge for a sustainable society.

To empower students to be the leaders in promoting SDGs.
There will be two programs which are Online Program and Video Competition. The online program will involve intergenerational learning and knowledge transfer, while the video competition focuses on empowering students’ leadership in sustainability.
For the video competition, the students need to create a video on how they can relate or infuse the SDGs that they learn into their curriculum subjects especially Science and Mathematics or relate the SDG themes at their school.
