

Creating Thriving Communities: A Dialogue on Equity, Social Justice, and Sustainable Development

Wednesday, May 7, 2014

10:00 am - 12:00 pm

Center for Intercultural Organizing

700 N Killingsworth St, Portland, OR 97217

What do terms like "sustainability," "development," "equity," and "social justice" mean? Can you envision ways to help create a healthy, just, and thriving region? Come join us for this community dialogue, to:

- address issues of justice and equity
- support sustainability education
- focus on social sustainability
- identify shared objectives
- foster collaborative partnerships
- make a difference

Please RSVP to Grace Taylor, at grace.taylor@bgi.edu.

**Sponsored by Greater Portland Sustainability Education Network (GPSEN)
