

# GPSEN Sustainability Social

**Thursday, September 29  
4:30 pm - 7:00 pm  
One North Courtyard  
3510 N. Vancouver, Portland, OR**

You are invited to our end-of-summer party and networking event to celebrate sustainability, kick off the new school year, and highlight our community partners, including the CENTER and their coalition, the US Fish and Wildlife Service, and our Youth Network.

Enjoy live music, speakers, refreshments, ice cream, tabling, and connecting with good people!

The party will be hosted at One North. Named 2016 Sustainable Project of the Year (Portland Business Journal Commercial Real Estate Awards), One North's sustainable features include low-carbon materials, a rooftop photovoltaic array, high-performance building principles, and native landscaping. Come hear one of the designers share insights on the building and courtyard.

The GPSEN Youth Network also invites you to experience the "Taste of Sustainability." Developed in collaboration with "[What's the Scoop?](#)" ice cream shop, you will get to be the first to try this new flavor: basil-mint ice cream, blueberry swirls, marshmallow clouds, hazelnut brittle and dark chocolate. We have a few pints of "Taste of Sustainability" available, so visit [www.gpsen.org](http://www.gpsen.org).

Ice cream pick-up: Thursday 9/29 – Friday 10/7 (at What's the Scoop, 3540 N. Williams Ave.)

For questions, please email: [contact@gpsen.org](mailto:contact@gpsen.org).

*Funds benefit our GPSEN Youth Network. GPSEN is a registered 501(c)(3) non-profit.*
